Empowering People with Disabilities

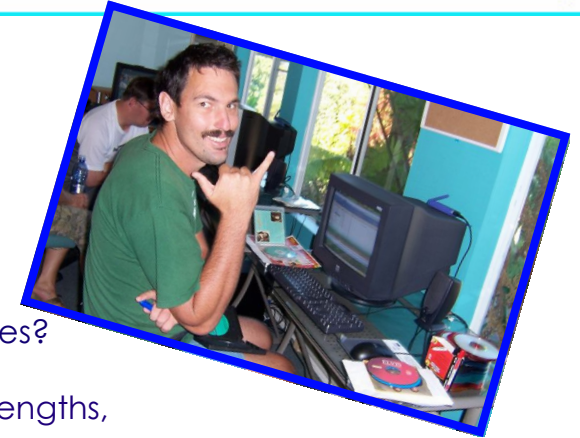

Do you believe

People with disabilities are more like people without disabilities than they are different?

Disability is a natural part of the human experience?

Children and adults with disabilities deserve to live REAL lives, fully involved in their communities?

That every person, regardless of ability, can lead a self-determined life based on his or her strengths, preferences and dreams?

Choose Full Life

Full life was founded by a local family. Our supports and services are truly person-centered.

You and your family will immediately feel as if you are part of an 'ohana.

Experience the difference a commitment to self-determined and person-centered services can helping you live a Full Life and achieve your dreams.
